

Bibliography of Morten Hovd

Dr. ing. thesis:

Studies on Control Structure Selection and Design of Robust Decentralized and SVD Controllers.
Department of Chemical Engineering, Norwegian Institute of Technology, 1992.

Patents

M. F. Aftab, M. Hovd, S. Sivalingam (2018) Method for detection of harmonics of a univariate signal. European patent 3 301 461 A1.

M. F. Aftab, M. Hovd, S. Sivalingam (2018) Detection of plant wide oscillations in control variables for an industrial plant control system. European patent 3 296 829 A1.
