

Paul Stiros
President & CEO
NineSigma, Inc.

Biography

Paul Stiros is President and CEO of NineSigma, Inc., an innovation sourcing firm headquartered in Cleveland, Ohio. Paul came to NineSigma in 2004 from The Procter & Gamble Company following a number of senior management positions in Research and Development. Most recently, Paul was Director Corporate Innovation and Knowledge, including the company's widely recognized Connect + Develop (C+D) program. In his work with C+D, Paul interacted with service providers in the area of open innovation including NineSigma. Prior to his role with the Corporate Innovation and Knowledge group, Paul was Director of New Business Development and Licensing for the Fabric & Home Care unit where he led the development of a series of innovative products including Swiffer[®], Mr. Clean AutoDry[™], and Scentsories[™] by Febreze[™].

Born and raised in Greece, Stiros immigrated to the U.S. and received his B.S. in Chemical Engineering from Northeastern University and an M.S. in Chemical Engineering from Massachusetts Institute of Technology.
